8. [REDACTED] Met with Don Appell, Chief Investigator, House Committee on Un-American Activities, who informed me of the source of a statement alleged to have been made by the former head of OGPU and published in a committee document. This information was passed along to [REDACTED] SR, who had requested this query be made of HCUA.

After lamenting the Agency's general reticence to furnish HCUA with information, Mr. Appell asked if we could forward the committee the personnel file of a former OSS employee, [REDACTED] who is alleged to have directed veteran's affairs for the Communist Party in New York. This information is sought in connection with a Committee investigation. I advised Mr. Appell that I would pass along his request; a negative response is anticipated.
